History Lesson!

Cronulla Caringbah Sharks Junior Rugby League Football Club was formed in 1952 and was one of the foundation clubs when the Cronulla Sutherland Junior League was formed in 1963. In 1964 Cronulla Caringbah's A-Grade side was accepted into the Second Division competition and in 1967 accepted into Rugby League First Division. Due to the success of the Junior League within the shire

it was decided that it would be in the best interest of Rugby League to enter this team as Cronulla-Sutherland. The "Sharks" we know today were born, the only First Grade team to originate from a Junior Club.

Cronulla Caringbah's Clubhouse is located in the Western Car Park of Sharks International. In 2006 we will field 26 teams from U6 to A Grade.

In 2006 we fielded 26 teams covering every age group. 12 teams qualified for semi finals, 6 teams progressed to the Grand finals and 4 of those were crowned Premiers - 11B, 13A, 13C and U18 (1).

Our 7 Reds flew the Club flag in the Tommy Bishop Shield and the beautiful Rae Loomes, representing as Miss Cronulla Caringbah, won Miss Junior League at the Junior League Ball.

Cronulla Caringbah once again had players representing the Cronulla Sutherland District in the Matthews Cup, SG Ball, Jersey Flegg and Premier League.

While, Corey Stowers, Steve Stewart, Brad Davids and James Crompton were selected to play South Sydney in the Jack Gibson Cup combined "A" Grade District team.

Congratulations!

Inverell Trip Away!

Congratulations to all the boys who who enjoyed a wonderful adventure last weekend on our annual Inverell trip. Next week we will have a full story to share our experiences and many adventures.

well done boy's what a great win . You all played really well with your defence being the stand out, you all tackled your hearts out and that showed on the scoreboard with Como only scoring two try's.

Damon , Bailey and Zach were the best defender's on the paddock and they were backed up well by Jeremy , Harry , Kai and Callum .

A big thank you to Como as well for giving us one of their players as we were one short. In attack you were all devastating as well with everyone making great yards when you got the ball. Kai , Bailey , Damon and Zach all scored awesome try's and Damon kicking another great goal .

Well done boy's keep up the good work and keep listening to Dan.

We started like we have in the past few weeks,very slow.In the first two quarters we looked rattled in attack but made up with it with some great defence.

After playing a good side like Gynea we gave them to much start being down by twenty after twenty minutes. The last quarter was our best of the season scoring 4 tries one disallowed and Tremain running the length of the field to drop it over the line. A special mention to Brett who had his best game of the season with some great runs and awesome one on one defence.

-vs- De La Salle – Won 16 – 6

Being a holiday, a make up game and with some of our team out sick (Ryan with the flu & Shaun with stitches in his knee) we were under-strength but it didn't show. The guys soon had De La on the back foot with a hard earned try by Jonaiah. He also converted and scored again with only minutes to go. Jonaiah was also awarded Man of the Match for his non-stop attack and defence.

Robbo and Cooper both played a blinder in defence and attack with both guys throwing some great passes to their backing up players. Tyler & Hudo again displayed their ability to pass and run and defended to a high level during this match. Hudo also scored another long range speedy try.

Benny (H) played his heart out again with his defensive runs & his round the legs tackling. He also showed a lot of courage after suffering a head injury at the back-end of this game that required stitches to his ear. Best wishes mate for a speedy recovery. Liam & Girly tackled and ran all day and backed their mates up throughout the game.

A big thank you goes to the 8B's who lent us Max and Jake who helped us with the win today with their great teamwork and gamesmanship. Thank you guys we really needed you.

Boys the games we have played lately have all been close but due to our defence and teamwork we have overcome them. Lets keep it up for the coming weeks and towards the semis that are just around the corner. Thanks guys you are truly a great bunch of players.

Saturday Night Knock Out Comp. v Bosco. What a game! The magnificent 6 took to the field, with the help of Benny (H) along the sideline, and played their hearts out. This was one of the best displays of attacking and defensive footy I have had the pleasure to watch. You all played so quickly and organised that Bosco didn't stand a chance. The final score was 1 nil our way. This was due to a fantastic try scored by Liam after a team effort by all players to get us to that end of the field. I'm sure several people would agree this game was better than the main game that night. The next game of this comp is the Finals in Round 22 at Shark Park on Saturday night 9th Aug at 7.30. Lets get out there and do it all again.

See you at training.

-vs- Gymea Won 20-18

This week we played out another close game against a Gymea side that just would not give up. Every time we pulled out a few points lead they came back at us. To their credit the boys managed some strong on line defence to stop the opposition scoring any more points. It was a real heart-stopping last five minutes!

Simon did well this week, sticking to his assigned position and making a few good tackles out wide to slow the opposition down and give his team mates time to get there and finish off the tackle.

Darren was man of the match this week for his great direct running and brilliant effort in defence. He has been one of the most consistent performers over the last few weeks. He was also one of only two players to get their conversion attempt over. Keep it up!

Jake worked hard as always, coming up with a great one on one hit on the opposition's strongest player. This was backed up by several strong runs and other big tackles.

Max made a couple of penetrating runs through the heart of the Gymea team, dodging and weaving his way towards the line. He was unlucky not to be able to finish them off with a try. He also hit the post with his conversion attempt.

Sash was the trophy winner this week helping out with the huge amount of defensive work we had to do against a side that just kept coming at us

Luke put in his usual strong effort in defence but this week was also a try-scoring machine. He finished up with four tries, which he took brilliantly, ripping through the opposition both in the middle and out wide. Perhaps your uncle should come and watch you every week!

Zane was quieter than usual in this game but he did play a hand in setting up one of Luke's tries and he converted one of the others. Every time he gets the ball he looks ready to explode into the back field and score from anywhere.

Angus was solid as always. He made his tackles when he needed to and took the ball up strongly through the middle.

Cooper played well this week he ran straight when he got the ball and came up with some good tackles to stop Gymea getting too far up the field.

We came away with an important win this week which should see us move at least one place up the ladder. Next week we need to concentrate on holding onto the ball. We don't need to try and score off every possession we have. This week our defence was good enough - just, to make up for the mistakes but next time we might not be so lucky. Let's try and hold the ball and not put ourselves and the coach under unnecessary stress!

-vs- Gymea – Lost 16-0

Last time we played Gymea we started exactly the same way as this time. We got ambushed! Gymea had scored 3 tries before we knew what had happened. Thankfully we re-grouped after about 10 mins and we got to half time at 16-0. To the boys credit, the defended brilliantly in the second half, and we were very unlucky to not have got across the line ourselves 2 or 3 times. 0-0 in the second half and we were all left wondering what could've happened if we played the first half like the second half? But it wasn't to be.

Our men of the match were James Russell who just played out of his skin, I said it after the game, if Jimmy's heart was as big as him, he'd be a giant! Jimmy served well at dummy half well, was denied a try by a millimetre and made a thousand tackles and in the second half, where he actually tackled himself to a stand – still! In 2 of Gymea's tries, the ball carrier carried Jimmy over the line with him which shows Jimmy's desperation in defence. I spoke to Cooper Ashworth before the game and asked him for more involvement, didn't he deliver! Cooper was in everything, directing traffic in attack, diving on loose balls and made some crunching tackles on much bigger players, most of them try savers. Lachlan "Clancy" Smith had another crash and bash game, making heaps of hard metres up the middle of the park, and defending like a steam train. Nicholas Gillard was as safe as a bank at the back, and made plenty of metres for us down the park with his elusive running, and was denied 2 tries by the shortest of margins. Special mention also goes to Kurt Anthony for a greatly improved performance. Kurt tackled well and ran the ball with determination and nearly got around the defence a couple of times. Well done Kurt, please keep it up mate. Thanks also to Brett Bridges who came up from the 8's to help us out as we are once again struggling for numbers.

We also found out that we are losing Oscar Lennon who is moving to Soldiers Point. Thanks for your efforts Oscar.

Lets all make sure we get to training, and practice defending as a team.

Heads up boys, once again we showed plenty of ticker for a brilliant performance in the second half. Good on you boys!

It was another impressive win by the boys it was always going to be a tough match having no reserves and especially a team that was coming second. That was the last big challenge before semi final time so boys that's a great effort we just keep winning all last remaining games and we will be up there come time to name the minor premiership.

Once again our captain Jacko stood out with some monster tackles and some great runs without his partner in crime Ryan he took it upon himself to have a big game.

Our man of the match though went to Scotty and Tynan both these boys are showing massive amount of improvement its a perfect time to hit your straps boys

With a slow start and some poor defence from our team we were behind early. We didn't move up on them which allowed them gain momentum and make breaks at will. When we had possession we didn't control the ball and made very basic mistakes. Going into half time at 10-10 we all knew there was a lot of work to be done in the second half both in defence and attack.

We started off with more aggression in defence which is what's needed all the time whenever you run onto a football field if you are in front or not you have to be aggressive.

With some good charges from Jack Small smart play from our clever hooker Tom Buckland and darting runs from our half back Jack Da Vanzo resulted in tries with Tom and Jack D. scoring two each. We all know what is needed to be done so let's get to training and work hard because the finals are just around the corner.

PHYSIO – Skye**-vs- Bosco - Won 50-0**

This week we faced Bosco for the first time since our 14 all draw and were prepared to put up a good fight. With a few of our players away for holidays we were not at full strength – the scoreline however would seem to convey the opposite. The difference I think this week is that from the moment the boys stepped onto the field they were enjoying themselves. There were smiles on all of the boy's faces and the energy they put into their game reflected this.

Not only were they having fun but their game play was also well controlled, structured and disciplined. The boys were all focused and each position played exactly what their role required of them! Thankyou to Ren, Billy and Jacob who played up this week while the 14B's had a bye. Ren's defense was impressive, Billy played strongly out on the wing and Jacob scored our final try! Great running by Finn, Paris and Sam must also be noted! This week we redeemed ourselves from the last time we versed Bosco, and special note to the boys for pulling off "the Fiji" – excellently executed!!

A few shout outs –

Jacob Duggan – You performed some crunching tackles out there mate, great defense!!

Fletch – Mate you only just missed out on the \$20!! Great kicking this week!!

Luke – Great defense this week, making sure you were involved with as many tackles as possible and backing up in them as well!!!

Sage – Same goes for you Sage, great defense!! I think there was one set there where you made almost every tackle, well done!!

Word of the Week – ENJOYMENT – Boys this week you showed us what it means to really just play for the love of the sport. You all went out there not just to win, but to have fun and it only enhanced your ability to work as a team. Remember that you do this sport because you love it and because you love it so much is your motivation to improve!! This week we had happy players, a happy team, and a happy coach!! -vs- Menai Roosters – Won 46 – 4

Tries: Drinkwater, Morrel (3), Meagrossi (2), Raru, Eronny, Mareko, Saville
Conversions: Cameron Paddy 5/7

The cock didn't even crow at Akuna Ave last Saturday. As a matter of fact he may as well have stayed in the chook pen as Cronulla Caringbah handed the roosters a lesson in rugby league, running in 9 tries to 1 with a final score line of 46 - 4.

Sweeping backline movements had 3 tries with the first 10 minutes. All the usual suspects including **Joseph Drinkwater**, **Stacey Morrel** who crossed 3 times, **Guy Meagrossi** (2) and **Jeremy Saville**. Stacey was outstanding using his incredible speed and agility to literally fly past the opposition.

Rea Pittman was instrumental in setting up a couple of these tries with fantastic passes timed to perfection. Rea seems to have found his feet and got some great passes away. He did the same in the development squad game as well. **Eronny Mareko** played really well, making busts up the middle offloading well and got a try for his efforts .

Tokerau Raru made one of the best tries this year, bouncing off numerous Roosters defenders as he smashed his way half way right through till he put the ball down under the posts. His mum was heard to say "Ok, Toks, you can go out tonight".

Guy Meagrossi busted the Menai defenders wide open when he caught a short kick on the full, taking the ball at full speed and sailing through to score.

Our forwards defended well. **Clinton Strickland** and Jeremy got through a pile of tackles. Scott **Sorenson** was the deputy general passing fast and hard off the base of the ruck with **Michael Lichaa** distributing the ball perfectly at five eight. **Cameron Paddy** was awesome in defence as well and kept putting the conversions over the black dot. **Luke Brown** played very well in the centre position. **Jesse Watts** made some good hit ups. **Fabian Hurst** came on and made an impact.

TO Menai's credit they never stopped trying but silly penalties and dropped balls from sustained defensive pressure let them down , Cronulla took full advantage and were just clinical going in for try after try with an average of one every five minutes with almost every try from great backline moves.

Our favourite referee Mitchell Floyd kept a good clean game with fair decision making throughout.

Cronulla Caringbah were disciplined, determined and focused. They followed coach **Joe Lichaa** and co-coach **Noel Pittman's** instructions and reaped the rewards. The GyMEA Gorillas should be very worried as we look forward to meeting them next weekend.

-vs- De La Salle – Won 50 to nil

After three losses in a row it was good to get back in the winners circle. With only thirteen players we spoke about limiting our mistakes and getting through our sets.

Playing some very attractive football we scored some great team and individual tries to go in at half time leading 34 to nil. Losing Tyler at half time with a knee injury (hope your right for next weekend) with only twelve players the boys defended well to keep our tryline in tack. But with the ball the boys got white line fever and tried to score off every play, making too many mistakes (the reason we lost to Menai and Aquinas).

Boys remember no matter how far you are in front you still have to do the hard yards, stick to the game plan and be patient the points will come. A good win lets see if we can repeat the dose against Bosco this weekend.
